

Meet the Hernandez Family

Hernandez Family Child Care is more than just a program; it's a home filled with love, laughter, and learning.

I'm Jennifer Hernandez, a former public school teacher with over 15 years of experience in early childhood education. I'm also a proud mom of three wonderful kids: Jacob, Alexa, and Alayna. We live in Woodland, and together, we create a warm, welcoming environment for children to learn, play, and grow.

We became a one-parent household in 2021 after losing my husband to COVID. It was a life-changing moment for us, but it brought us even closer as a family. Now, we work as a team building a joyful, caring life together and opening our home to families in our community.

I love to cook, plan fun activities, organize everything from craft bins to field trips, and create meaningful memories, whether we're visiting Disneyland or just enjoying backyard play. Dutch Bros is my daily treat, and making everyday moments feel special is kind of my thing.

Jacob (16) is athletic and outgoing. He plays football and baseball at Woodland High, loves fishing and family parties, and helps lead physical play with the kids. Alexa (14) is caring and creative. She plays softball and volleyball, enjoys youth group, and helps with cooking and activities at our child care.

Alayna (5) is our social butterfly. She is always ready to play and excited to meet new friends. She's the heart of the house and brings joy to every child who visits.

We're honored to welcome you into our extended family and share the love, laughter, and learning that fills our home each day.
